Summer Education Internship

The Aldo Leopold Nature Center, Inc. is an independent, not-for-profit organization dedicated to environmental education and awareness. It operates the Aldo Leopold Nature Center and Nature Net: The Environmental Learning Network to enhance the education of children. The Aldo Leopold Nature Center is supported in part through private donations from local businesses, foundations, and individuals. Aldo Leopold Nature Center offers programs that serve over 70,000 individuals annually. ALNC is an equal opportunity employer committed to building and serving a diverse staff and community, and qualified applicants of under-represented backgrounds and identities are encouraged to apply.
