

# NATURE CRAFT

## SPRING POP-UP CARD

**Hoppy Spring!** Spring is the season where nature reawakens after its long winter nap. Birds return from migration, mammals awaken from hibernation, and frogs and turtles rise from the bottom of the pond.

**It's always fun to share your love of the seasons with your friends and family.** Spread joy by making them a pop up card inspired by the seasons.

## CREATE YOUR OWN POP-UP CARD

### MATERIALS

Paper, scissors, glue, and markers or other coloring materials

### DIRECTIONS

1. Fold a piece of paper in half
2. Cut two small slits on the fold
3. Fold the paper between the slits the opposite way of the card so that when you open the card, the pieces you cut stick out
4. Draw what you'd like to pop out on a different piece of paper and cut it out
5. Glue your picture onto the bottom half of the "pop-up piece", the top of your picture should not be glued down
6. Decorate the inside of your card how you like
7. Glue a second piece of paper to the back of your card to cover the holes from the folds
