

OAKS After-school Program Tuition Rates 2024-2025

ALNC strives to provide nature education programs accessible to all families in our community.

Here's how to use this document:

1. Find your annual income and family size on the chart. Rates are determined by percent of Federal Poverty Levels (FPL). For more information where your family falls on the scale, [click here](#).
2. Use the chart below to find your suggested monthly payment level. ALNC accepts cash, check, credit card, ACH, or Wisconsin Shares for tuition payments. Online payments are done through the Brightwheel app billing system.
3. If your total family income is less than 200% FPL or you need assistance for any additional reason, please indicate this on your lottery form. You can also email this info or inquire about mid-year availability by contacting schools@aldoleopoldnaturecenter.org. ALNC has assistance funding available that will be allocated between all families requesting additional assistance upon enrollment. ALNC can provide up to 80% assistance off the full price per month.
