

# ALNP SLIDING SCALE TUITION

## Sliding Scale Tuition Instructions

ALNC has two tuition pricing options for families to choose from: full and access options. The access price reflects a 20% discount off the full price and is intended for families whose income is at the 300% FPL or below. We also offer tuition assistance for eligible families as long as funds are available. The chart below is a guideline based on 2025 income levels, which families can use to determine if they are eligible for the access price. We do not require proof of income. Here's how to use this document:

1. Find your annual income and family size on the first chart. Rates are determined by percent of Federal Poverty Levels (FPL). For more information on where your family falls on the scale, [click here](#).
2. If your total family income is at the 300% FPL or below, you are eligible for the access price tuition option. If your total family income is at the 200% FPL level or below, you are eligible for tuition assistance.
3. We accept cash, check, credit card, ACH, or Wisconsin Shares for tuition payments. Online payments are done through the Brightwheel billing system.

# ADD-ONS

## Lunch Bunch

Lunch Bunch is an optional add-on for half-day students. It is offered every day from 11:30-12:30. Families provide their own lunch for their child. We will be eating outside except in the case of inclement weather, in which case we will have an indoor option. Rates are not on a sliding scale. Please contact the preschool director for tuition assistance.

## After Care

After Care helps meet the needs of busy families. Families can pick up any time between 3:30-5:30. Rates below follow the same sliding scale as above, with the exception of daily drop-ins, which are \$15.

Add On	Times
After Care	3:30-5:30 pm for full-day or afternoon students only
Lunch Bunch	11:30-12:30 pm for half-day students only
